NEILSON'S

Closing Out Our Entire Line of Phonographs

Twenty-two Star, Knapp and Empire Phonographs—and Twelve Record Cabinets in the lot.

Your Great Opportunity to get a Fine Phonograph, at a big reduction—a chance not often to be had.

This is due to the fact that the proper demonstrating of these requires special sound-proof rooms. As our space is limited and we are unable to have such rooms constructed, we have decided to clear the entire line and discontinue them altogether.

To do this quickly we are reducing prices that otherwise could not be tampered with under any circumstances.

There are twenty-two machines in all—Quartermack, formed, mahogany and walnut. There are small table machines and two standard makes, ranging regularly from \$80.00 to \$275.00—All generously reduced to clear.

SPECIAL PRICES AS FOLLOWS:

\$25.00 machines	\$19.50	\$12.50 machines	\$100.00
\$30.00 machines	\$22.50	\$150.00 machines	\$130.00
